Dear Duncan Tavern Volunteers,

Autumn is the time for Kentucky visitors, and another historic Duncan tavern season has begun! Our daughters' state treasure is on the Commonwealth museum trail. Isn't this exciting? Doesn't this honor the daughters who passed before us?

You are invited to share in this unique experience. To maintain or tell once a week, monthly or *just when you can* our illustrious building history. Daniel Boone walked these floors, and you can be part of the story.
