Ways to Give

We invite you to support Duncan Tavern in a way that works best for you. For our devoted daughters, you now have the opportunity to make your devotion monthly. Recurring gifts will help create a much greater impact on the financial stability of our State Headquarters. Monthly gifts can quickly and easily be arranged through your checking account or credit card. The choice is yours, you might choose to donate to the Enduring Endowment for Duncan Tavern, making your gift last into the future. Or you may do both! Each donation is important; your generosity will provide the financial support we need. Many thanks to each of you.
